## School Rules and Policies

Thank you for registering with WPA. We enjoy teaching and working with every student who participates in our program. Our objective is to contribute positively to the development of each child's confidence, discipline, leadership potential and creativity.

The environment in which optimal learning and growth will flourish is one that focuses on discipline, courtesy, successful accomplishments, and LOVE. We try to provide such an environment because developing Christian attitudes, self-confidence, and skill achievements are our priorities.

We extend a special THANK YOU to each parent for the opportunity to teach and to be a part of your child's life. They are so special, and we know how you value their development. They are treasures you can never replace, and you as a parent are providing opportunities for them to learn and participate in activities that can provide a healthy, active way of life. Through dance, special moments and memories are created that will always be appreciated and treasured.

Thank you ,  
Tracy, Donna , and Stephanie
